**PUBLIC COMMENTS**

Rose Harmon addressed the Commission first in regards to the letter she wrote that was given to the Commissioners for review in the March 29, 2012 meeting. It was explained to Ms. Harmon that her letter was taken into consideration by the Commission and Mr. Asfaw was questioned. The Director also explained that it was a driver owner problem between her and the CCN Holder. He also explained that Enforcement Agents are closely monitoring that all procedures are being followed and that no improprieties are being done. Ms. Harmon also stated she was looking for a change in the code for transferring aged vehicles from one CCN Holder to another until they are aged out completely. It was explained to Ms. Harmon that right now it was prohibited to transfer a certain age vehicle from one CCN Holder to another, but it would be looked into by the Commission.

Mr. Biru was the next to speak; he had a question if the Commission's legal counsel was paid any fee for the review of the transfer of ownership for Independence Cab or SBNA Airport. It was explained to Mr. Biru that the transfer needed no legal counsel to review the transaction and the only fee paid was the transfer fees to the Commission of \$250.00 that the code requires for these types of transactions.
